**1 TOPLESS PROPHET**  
The True Story of America's Most Successful  
Gentleman's Club Entrepreneur

by Alan Markovitz. Enter the world of the gentleman's club where desire and money form a potent reality. See through the eyes of the man who's seen more than anyone, from true personalities of women performing to goings-on behind stage. Meet Alan Markovitz who possessed the vision to transform a modest bar into the first prototype of the modern gentleman's club... and then to parlay that into a string of profitable topless venues. Step inside... let your eyes adjust... and open them to the sights and sounds of the gentleman's club. And the story of the gentleman who brought it all to life!

**3 STRATEGIC THINKING**  
A Four Piece Puzzle

by Bill Birnbaum. Today's challenging economy requires that management teams think strategically. Noted strategy consultant, Bill Birnbaum, responds by packing 24 years worth of strategic thinking know-how into a single book. Writing in conversational style, and using simple diagrams for emphasis, he guides readers in thinking and communicating strategically. Birnbaum explains... The three dimensions of success in launching any new product or service... How one simple question helps managers discover their organization's most important activities... The difference between managing a process and a project. And why that difference is critically important. For managers seeking strategic direction, this is their book.

**5 LISTEN TO MY DREAM**  
A Tribute To Dr. Martin Luther King Jr.

by Debi Pearl. In 1986 Debi wanted to teach her children about Dr. Martin Luther King Jr. There was only one worn out children's book on Dr. King. How could such a man, not have a whole shelf of books? How would future generations know about him? She told her children stories she read in newspapers 20 years earlier. Working from them, Debi wrote *Listen To My Dream* in 1986 using the same rhyme and rhythm with which she had taught them the ABC's. Suitable for grades 1-5. The Heirs to the Estate of Martin Luther King Jr. have authorized the 2009 printing.

## REAL ESTATE

### 33 CHRISTOPHER HOWARD'S GUIDE TO REAL ESTATE IN COSTA RICA A primer for investing profitably and safely in Latin America's #1 travel and retirement destination

by Peter Krupa. In 2006 Costa Rica was named one of the hottest real estate markets in the world according to CNBC News. With colossal tax increases looming, loss of home equity and retirement funds, diversifying out of a falling currency and into hard assets outside the U.S. just might be the only way to protect your hard-earned wealth—and preserve your lifestyle. The super rich safeguard their money by investing in international assets. Now the average Joe can protect what he has left from the world economic fallout by using the same strategy. "This is the most comprehensive guide to buying real estate in Costa Rica and Latin America." Peronet Despeignes, correspondent *Fortune Magazine*.

**36 JESUS**  
An Historical Approximation

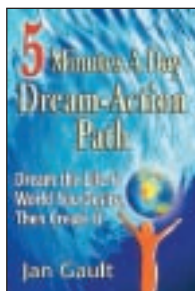

by Jose A. Pagola. The Bestseller Author Jose Antonio Pagola, aware of the difficulties inherent in any attempt to construct the life of the historical Jesus, presents a compelling approximation. He addresses questions about who Jesus was; how he understood his life; what was the originality of his message; how the vision of the Kingdom of God centered his life; and why he was executed and who intervened in the process. The author presents a lively and passionate narrative of Jesus of Nazareth, locating him in his social, economical, political and religious contexts based on current research, as it was never written before.
